COTTEY COLLEGE

Ujjaini Das and Nancy Kerbs called on the Commission to discuss recycling on campus. Currently they collect material and take it to the recycling center. They currently have one of our cardboard collection containers; but they are looking for ways to improve their recycling efforts by partnering with the county on the pick up of their recycles. We discussed them applying for Region M grants, purchasing their own collection trailer to park on campus, or the option of us parking our trailer on their campus periodically. They would also like another cardboard collection container in the future. Again the Commission directed them toward Region M and told them we would be glad to help in any way that we can with their recycling efforts.

Barry Clark phoned the Commission about a building in Bronaugh that is abandoned. Was wondering if the county could condemn the property. Mr Clark was informed that Vernon County has no zoning regulations, therefore the county would not condemn the building.
