OSAGE TOWNSHIP

Scotty Pritchett, Trustee called on the Commission. There is a tree across the road in Section 19 of township and landowner is not wanting to clean it up. Base of the tree is many feet off the right of way on the landowner's property. Commission phoned MAC attorney Travis Elliot for advice. After discussing with Mr Elliot, Commission informed Scotty Pritchett that it should be the landowner's responsibility, but since it is over the roadway then the township should consider removing it to make the roadway safe and passable.

Scotty Pritchett also had questions about a culvert on Gray Road in Section 31. Culvert needs to be upgraded to a 36". Mr Pritchett indicated that Osage Township would reimburse the county for the culvert and half of the rock if the county would put the culvert in. Commission notified Lynn Seaver, Road and Bridge Foreman of this decision so he can begin the project.

He was provided brush cutter letter and he marked it and gave it back to us. It was passed on to Lynn Seaver.
