

AFLAC & Cincinnati Life Open Enrollments 2020-21

Subject: Your Benefits Open Enrollment Period – [May 26-28, 2020]

AFLAC and CINCINNATI Life open enrollments for voluntary coverages will be conducted remotely this year due to COVID-19 virus concerns

CJ Blomenkamp is the Vernon County representative and he will have copies of a current invoice so that he will be able to review the current coverage in which employees are enrolled. You will be able to discuss changes with him and he may have new products available for 2020. It will also be an opportunity to update beneficiary information on your policies.

Please schedule a session with him if you desire to review or make any changes.

All changes must be confirmed with Chris by Friday, May 29th.

NO ENROLLMENTS or CANCELLATIONS will be allowed outside of a qualifying event after June 4th.
