

PRESS RELEASE

Vernon County, Missouri

FOR IMMEDIATE RELEASE

Background

On March 27th, 2020, Congress passed, and President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The CARES Act established the Coronavirus Relief Fund and appropriated \$150 billion to the Coronavirus Relief Fund. Under the CARES Act, the funds are to be used to make payments for specified uses based on the requirements of the CARES Act requirements and United States Department of Treasury guidance. Generally, the CARES Act provides that payments may only be used to cover costs that: (1) are necessary expenditures incurred due to the public health emergency with respect to COVID-19; (2) were not accounted for in the budget most recently approved as of March 27, 2020 for the government; and (3) were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020.

Expenditures must be used for actions taken to respond to the public health emergency. Funds may not be used to fill shortfalls in government revenue to cover expenditures that would not otherwise qualify under the CARES Act. Expenditures using CARES Act fund payments must be reasonably necessary. For further information, please refer to the guidance issued by Treasury on April 22, 2020, and May 4, 2020.

On April 28, 2020, Vernon County received information and guidance from the office of the Missouri State Treasurer regarding the distribution of CARES Act funds from the State of Missouri to Vernon County. After approving and returning a certification for payment to the State of Missouri on May 5th, Vernon County received \$2,412,450.00 on May 6th.

Process

Over the course of the past few months, Vernon County has reviewed the requirements of the CARES Act and the guidance issued by the Department of Treasury and has been working to identify community priorities and develop an application process to allow applicants to request CARES Act funds and make award decisions for the use of funds.

Application

The County is making an application available to request CARES Act funds. In the second round of funding, local governments, non-profits, businesses will be eligible to submit an application. Applications for the second round of funding can be based on requests for reimbursement of eligible expenses or costs already incurred during the period March 1 through July 31, 2020 or be based on anticipated expenses to address future COVID-19 related needs. All requests must satisfy the requirements of the CARES Act and Treasury guidance. Applicants will be required to submit sufficient supporting documentation such as invoices, receipts, and proof of payment .

The County is allocating 50% of the remaining CARES Act funds for the second round of award decisions.

Applications for the second round of funding are due on August 14. The County will then review and evaluate the applications for completeness (including supporting documentation), compliance with the CARES Act requirements and Treasury guidance, and anticipates making award decisions the first week of September. Award recipients will be required to enter into a written agreement with the County prior to disbursement of awarded funds.

The application is available at the County Clerk's office, County website, etc. Questions regarding the application process may be directed to Joe Hardin.

Depending upon the number of applications received and amount of funds awarded in the second round of funding, the County anticipates potential additional rounds of funding.

A handwritten signature in black ink, appearing to read "Joe Hardin". The signature is fluid and cursive, with a large initial "J" and "H".

County Presiding Commissioner
