**FARMER'S MARKET**

Corey Johnson and Kendra Miller called on the Commission on behalf of the Farmer's Market Board. That project is slightly delayed and they were asking about putting a temporary tent up until funds can be raised. Commission granted them permission to put up the tent, as long as the tent was made available to all and especially youth groups within the community and that the permanent structure be built by this time next year or the Commission will have to reconsider the project.

**RECYCLING CENTER**

Becky Morgan from the City of Sheldon phoned the office. She has tried calling the Recycling Center and not gotten an answer. She wondered if they are open. She needs their trailer emptied. Office phoned Donnie Roberts. They will go and empty the trailer today.
