## Introducing Apple Pay and ReceiptVault

[Home](#) [About](#) [Contact Us](#)

Dear Valued Partner,

UMB Healthcare Services is excited to announce the launch of two new features for your HSA participants - ReceiptVault and Apple Pay®. These new features will provide our customers with more flexible options for their user experience using their HSA.

UMB's long-term investment in technology is focused on building and delivering a digital HSA experience. Improving our user's digital experience is part of a bigger plan to create value at every step of the customer journey and pave the way for the ideal customer healthcare financial experience.

### Apple Pay Your UMB HSA Card Just Went Digital

A new way to pay for eligible healthcare expenses has arrived. With Apple Pay, your accountholders can enjoy the security and convenience of using their UMB Healthcare Visa® debit card right from their phone. Apple Pay technology allows customers to pay without swiping or entering card information - pay securely with a single touch of the finger using Touch ID®. Apple Pay is currently the only mobile wallet tool supported by UMB.

ReceiptVault is now available to all UMB HSA accountholders to store and organize receipts for qualified medical expenses.

#### Details

- Scan the image of the receipt from a laptop or take a picture with a mobile device
- Upload images of receipts into the account via ReceiptVault
- Store medical receipts conveniently and securely all in one place
- Classify receipts by category
- Search and filter records to view, edit information, or download stored files

To access ReceiptVault, accountholders sign into their HSA through online banking and select ReceiptVault in the *Tools* tab drop-down.

Accountholders who prefer to pay expenses out of pocket and build up their HSA savings may use ReceiptVault to store receipts and easily track unreimbursed expenditures for tax-free withdrawal at a later date.

**Accountholder Communications**

In January, banner ads promoting both ReceiptVault and Apple Pay will appear on HSA online banking as well as within product information on hsa.umb.com. At your request, UMB can provide content for you to include on your own website/HSA portal. In addition, accountholders will receive notice promoting ReceiptVault and ApplePay in their first quarter HSA statement scheduled for distribution at the beginning of April, 2018.

**Questions?**

We value your relationship and look forward to serving you in the year ahead. If you have any questions, please call the HSA Employer Support Center at 855.664.4160.

Sincerely,  
UMB Healthcare Services
